WORDPRESS DEVELOPER

SUMMARY

Results-driven WordPress Developer with 3+ years of hands-on experience delivering high-performance, secure, and fully optimized websites for clients across diverse industries. Specialized in custom theme development, plugin customization, WordPress security, and full-stack web solutions. Skilled at transforming client requirements into functional, user-centric designs while implementing modern development standards and SEO best practices. Known for improving website speed, streamlining UI/UX, and enhancing overall site performance through clean, scalable code.

WORK EXPERIENCE

The Web Cloud Solutions

Dec 2024 – Present

- Leading end-to-end WordPress development projects, ensuring seamless execution from planning to deployment.
- Developing custom themes and optimizing plugin integrations to enhance site functionality and user engagement.
- Implementing advanced performance optimization and security measures, reducing vulnerabilities by 50% and improving load times significantly.
- Guiding junior developers on coding standards and debugging approaches, contributing to a 20% improvement in team productivity.

Exact Theme Solutions (Hybrid)

Nov 2023 – Oct 2024

- Built and maintained 15+ professional client websites, improving responsiveness, cross-browser compatibility, and user experience.
- Enhanced UI and brand consistency by customizing themes using HTML, CSS, JavaScript, and WordPress best practices.
- Improved mobile performance, resulting in a 25% increase in mobile traffic for clients.
- Mentored junior developers, helping them adopt efficient problem-solving techniques and clean coding practices.

Miracle Soft Solution (Onsite)

Feb 2021 – Jan 2024

- Developed custom WordPress themes and integrated plugins to meet specific client needs.
 - Improved site speed, optimized SEO structure, and strengthened WordPress security framework, resulting in smoother functionality and reduced risk exposure.
 - Collaborated closely with design and development teams to deliver scalable, user-friendly web solutions.
 - Provided ongoing support and maintenance, ensuring long-term stability and performance across multiple client projects.
